

PEACE OF MIND.  
DELIVERED

it is said that a journey of a thousand miles begins with a single step...

a mile or a thousand, contact us and **we will manage** your freight

The global business environment is a complex one; success depends on the ability of company executives to make key decisions quickly. Subsequently, in order to meet their client's demands, those in the logistics industry have had to become more flexible, innovative and customer focused; whilst at the same time providing competitive rates. No company understands this better than ROAR Logistics, Inc.

Since its inception in 2003, our team has had a passion and determination for providing customers with an unbeatable service. From those who do the planning, tracking and checking to those who carry out the physical execution of the shipment, each has an eye for detail and is an expert in their field. Together, we are here to make the shipping of your goods a smooth and trouble-free operation.

In this brochure, we have endeavored to provide you with as complete a picture as possible about the capabilities of ROAR Logistics, Inc.

Nevertheless, we know that no brochure can compare to talking. So, for us to provide you with the swift tailor-made services you need, we want to understand the specific requirements of your company. You are the most important people to us and we are not satisfied unless you are. Our aim of satisfying our customers is present in all our daily operations and it is why our clients return again and again.

Sincerely,

**Robert E. Rich III, President**  
ROAR Logistics, Inc.

*Wherever your shipment needs to go, we can get it there*

To provide our customers with a truly global service, ROAR is a proud member of The Cooperative Logistics Network, a reputable worldwide alliance of elite independent freight forwarders.

Each of the cities worldwide is covered by well-established independent forwarders with extensive local knowledge, meaning we can provide you with a personalised service anywhere in the world.

Our increased global presence combined with our ability to collectively negotiate lower rates, has positioned us as a real alternative to the large multinationals.
